NOTES

NOTES

MOUNT ST. MARY'S UNIVERSITY

As a Catholic university, Mount St. Mary's graduates ethical leaders who are inspired by a passion for learning and lead lives of significance in service to God and others.

UNDERGRADUATE MISSION STATEMENT

Mount St. Mary's is a Catholic institution of higher education dedicated to liberal learning in the pursuit of truth. Mount St. Mary's, mindful of its role in the Church's mission to the world and respectful of the religious liberty of all, affirms the values and beliefs central to the Catholic vision of the person and society, and seeks to deepen understanding of our faith and its practice in just and compassionate engagement with the world.

In order to enable individuals to understand and to challenge or embrace the cultural forces operating on them, Mount St. Mary's, in all its curricular and co-curricular programs, encourages each student to undertake free and rigorous inquiry leading to a reflective and creative understanding of the traditions which shape the communities in which we live.

Mount St. Mary's strives to graduate men and women who cultivate a mature spiritual life, who live by high intellectual and moral standards, who respect the dignity of other persons, who see and seek to resolve the problems facing humanity, and who commit themselves to live as responsible citizens.

SEMINARY MISSION STATEMENT

Mount St. Mary's Seminary prepares men for the Catholic ministerial priesthood in the Third Millennium; men who love with the heart of the Church, think with the mind of the Church, and are formed to have an integrated core of human, intellectual, spiritual, and pastoral virtues modeled by Jesus Christ, our High Priest.

NATIONAL SHRINE GROTTO OF OUR LADY OF LOURDES

The National Shrine Grotto of Our Lady of Lourdes, a Catholic national shrine devoted to Our Blessed Mother Mary, is a place of worship, pilgrimage, evangelization and reconciliation. This beautiful mountain shrine features one of the oldest American replicas of the Lourdes shrine in France, built about two decades after the apparition of Mary at Lourdes in 1858, and attracts hundreds of thousands of pilgrims each year from all over the world.
